GROUP STUDIES PLAN FOR YOUTH CENTER NEED

A meeting of the Albany YMCA board of directors and members of a special committee on the establishment of a youth center was held Wednesday evening at the 'Y' Building on Kains Avenue. Fred Granville, president of the 'Y' board, previously stated this meeting was scheduled to hear from the committee and to find ways and means for a solution to this urgent need.

Reports were submitted by Police Sergeant Arthur K. Smith; Elmer J. Coble, executive secretary of the YMCA; Ed Howell, superintendent of recreation, and Chief of Police Stanley Williams.

Following the reports and a lengthy discussion, in view of the fact that there already is a large list of activities on the Y program, and that more facilities are needed, the group recommended:

1. That every organization and citizen take steps toward expanding and enlarging community recreational facilities so that at the close of the war a long range program can be started.

2. That there is 'possibly use' of the Albany High School Gymnasium on Friday and Saturday evenings, when not in use by the school for educational activities, subject to the approval of the Board of Education. This time would be under the supervision of the Recreation Department.

3. That the YMCA has already 'on-going' groups using the building to capacity, many of these groups being for teenagers, and that it would be wise to dislodge 'going activities'.

A meeting will be held on March 22 at the City Hall, on Solano Avenue, of the Coordinating Committee.

Present at this Wednesday night meeting were Emmett Devine, Superintendent of Recreation Edwin S. Howell, George K. Glavinovich, attorney, and recently appointed to Albany's Civil Service Commission; Police Sergeant Arthur Smith, Mayor Bert E. Hill, Henry Villa of Villa's Furniture Store; Superintendent of Schools Paul C. Bryan, Police Chief Stanley Williams, George J. Hoffelder of Hoffelder's Jewelry Store, Eugene Baker, principal of Albany School; Walter E. Teasdale, insurance broker, and former chairman of Albany; O. A. Nelson of the General Hardware Store, Fred Granholt of Granholt's Sheet Metal Company and Elmer Coble, YMCA secretary.

The above named men are representative of three Albany service clubs—Rotary, Lions and Exchange.

Albany Educators Plan for Public Schools Week

Public School Week is to be observed throughout the schools of California during the week of April 23 to 28. In order to assist the schools of Albany in making plans for this occasion, a special meeting was held in the Board of Education Room on Wednesday evening, February 28. Representatives of organizations participating in the meeting were:

Mrs. Delsa Walton and Ralph Locke of the Board of Education; Charles Moore and Wm. Feeny of Albany High School; Milton Gordon of Codornices School, Victor Colledge, Albany High Dads' Club; Mrs. V. A. Niemi, Marin School P.T.A.; Wm. J. Sullivan, Marin Dads' Club; Mrs. Wm. H. Jones, American Legion Auxiliary; Fred Whitmore, Jr. and Walter Kees, Albany Masonic Lodge; William Woolworth of Cornell School; Eugene Baker of Marine School; Donald Rowe, Director of Adult Education and Paul C. Bryan, Superintendent of Schools.

The group discussed the type of program which those present felt would be of most interest to parents of school children and to the public at large. The consensus of opinion was that the schools should hold evening demonstrations of actual classroom procedure. With this suggestion as a basis for formulating plans, the schools of Albany will present a Public School Week with demonstrations of actual class work at elementary, high school, and evening school levels of education.

NEWS OF FIGHTERS

With the Fifth Army, Italy—Staff Sergeant Lawrence E. Guay of Albany, helps to exchange from 1,800 to 2,200 pairs of socks daily for men in the 363rd Infantry Regiment of the 91st "Powder River" Division on the Fifth Army front in northern Italy.

The frontline soldier obtains clean socks merely by turning in his soiled ones to his supply sergeant, who in turn, hands them over to the regimental supply office.

Regiment has accumulated a stock of clean socks and the soiled ones received in exchange are sent to a quartermaster field laundry every other day. The same socks stay in the regiment and when they wear out they are salvaged for new ones.

When the soldier is in his foxhole, shooting at Germans, he rarely thinks about changing his socks but each night the supply sergeant arrives from the rear with the mule train and rations, carrying fresh socks.

The daily change helps to prevent foot infections, keeps the feet warmer and drier and each man is required to carry an extra pair of socks with him at all time, carrying it inside his shirt, next to his body where it keeps dry from body heat.

Guay is Service Company Supply sergeant. His home address is 1318 Portland Avenue, Albany.

First Lieut. Roger H. Christeson, husband of Mrs. Winona M. Christeson, 965 Neilson St., Albany, has arrived in the United States on furlough from the Aleutian Theater of Operations where he served 29½ months with the Army Infantry Corps.

With the 95th Infantry Division, Germany—Rudolph E. Fracisco, husband of Mrs. Cecilia Myrtle Fracisco of 636 San Gabriel Ave., Albany, has recently been appointed Second Lieutenant with a battlefield commission as the result of consistently superior leadership and combat performance during the 95th (Victory) Division's successful campaigns for Metz and Saarlautern.

Formerly Technical Sergeant serving as platoon sergeant in Co. "F" of the 378th Infantry Regiment, Fracisco acted in an officer's capacity of platoon leader from the very first days of the 95th Division's combat action. His subsequent battle record led to the com-

mission, one of the Army's highest distinctions.

Lieutenant Fracisco entered the Army March 4, 1941. He was part of the cadre nucleus from the 7th Division which helped activate the 95th in July, 1942.

Fracisco is a graduate of Richmond High School. A brother, Pvt. Carlo Fracisco, is a member of the 104th Division which is also fighting on the Western Front.

Do Not Send Cash for Income Tax Payment

Cash should not be sent through the mail to pay Federal Income Taxes, Collector of Internal Revenue, Harold A. Berliner said today in San Francisco.

Postal authorities and the Internal Revenue will not be responsible for any money lost in the mails.

Personal checks, post office money orders, and cashiers checks are acceptable on payment of Federal Income Tax.

The check should cover the exact amount of the tax. Checks greater than the amount of the tax will be returned, as no change is made on income tax payments.

Persons filing returns on Form W-2 Revised should not send any payment, as the tax is computed by the Internal Revenue and a bill is sent if the taxpayer owes more money than has been withheld from his salary.

Persons receiving tax statements for the unpaid half of the unfinished quarter of 1942-43 tax bill, which they elected to postpone until March 15th of this year, must pay such tax by separate check.

Albany High Notes

DEBUTE OF GIRLS' ROOTING SECTION

Albany High's Rooting Section under the direction of Mrs. Arlice Pollard made its first appearance in the Albany High Gym on the day of the Piedmont Game, February 27. These 50 girls worked hard to put over their card tricks. They sacrificed their lunch at noon to come in and practice, to support their team. The girls taking part in the rooting wore white blouses and had a special section reserved for them. From the enthusiastic reception given them, it looks as though the girls rooting section were here to stay.

SWIMMING PARTY FOR TUMBLING TEAM

Last Friday the tumbling team including Mrs. Arlice Pollard, Miss Helen Booth, and Mrs. Dubie Wohlberg, had a swimming party, at the Berkeley Women's City Club. After swimming, the girls and teachers went across the street to Mrs. Wohlberg's home for a pot luck dinner.

BLOCK "A" AIDS RED CROSS

Dick Young, president of Block "A" Society announced today that the Block "A" sponsored a noon dance Wednesday, March 7, at which all proceeds were contributed to the American Red Cross.

Through the co-operation of the students, Albany High has already contributed \$44.72 to the Red Cross. Collections were taken up the first period of every day for one week. On Friday, March 9, the drive officially came to an end.

Although Mr. Feeny and Mr. Moore have not set a quota for the drive, they contended that the students of Albany High wholeheartedly supported this patriotic service.

Mr. Feeny further stated that the students have always come through

The second report luncheon of the Red Cross War Fund Campaign, Albany-Berkeley-Kensington districts, disclosed the total collections to date to be \$57,900. This luncheon was held last Wednesday at the Trinity Methodist Church in Berkeley. Leading the various groups in the drive toward an ultimate total of \$218,000 was the residential group under the chairmanship of Mrs. Ralph Hoyt.

With the residential sections 50 per cent up on their total, the Albany group was leading with a 90 per cent achievement toward their goal. Mrs. Opal Villa is chairman of this residential group.

Fire Chief W. A. Meinheit presented a check for \$640 from the Berkeley Fire Department.

Speaker for the occasion was Com- David Delos Hawkins, USN, formerly with the heavy cruiser Salt Lake City. Hawkins and his ship were recently featured in a story "My Speed Zero" which appeared in the Saturday Evening Post. The battle stars on his overseas ribbons testify to his active participation in the action at Guadalcanal, Attu, Kiska, the Marshall and Gilbert Islands, and his vessel was one of those which patrolled against Japanese infiltration into the Aleutian Islands.

"The Red Cross was truly at our side," said Com. Hawkins, "when we went from semi-tropical Pearl Harbor to the frigid Aleutians. Great cartons of Red Cross sweaters, mufflers, mittens, etc., were brought aboard ship. Each was stamped with a Red Cross label, and the chapter from which it came. Very quickly the men were trading them among themselves as they found the stamp of their own chapters. They felt in that way, that they had something of 'home' to go into the fighting with them."

Chairman William S. Park presided at the luncheon and Father Lewis of Newman Hall spoke the invocation. Potted plants for table decorations were loaned by a group of local florists.

The next report luncheon will be held Monday, March 12, at Trinity Church in Berkeley and reservations should be made at Red Cross headquarters in Berkeley by Saturday, March 10. These report luncheons are open to the public and should prove of interest to citizens. However, reservations are necessary and the committee requests "the earlier, the better."

City Club Group To Hear J. Allen

The first hand story of European intrigue by a man who "was there" will be told to members and friends at the second in the Correspondents in Action Series, Jay Allen, who will be heard Thursday evening, March 15, 8:15 p. m. at the Berkeley Women's City Club.

Allen as correspondent for the North American Newspaper Alliance and co-author of a book with Hemingway, Luis Quintanilla and Elliott Paul is admirably equipped to discuss "After Invasion—What?" He spent five months as a prisoner of the Nazis and while under suspicion of espionage faced the unnerving sight of the daily execution of fellow prisoners.

Co-Chairmen for the affair are Mr. and Mrs. J. R. Beach and Col. and Mrs. Alva F. Englehart.

Something new in one woman shows will be the monodrama presented by Jeanne Welch, charming young American actress, who will appear in an afternoon program Wednesday, March 14 at 2:15 p. m., according to Mrs. P. Orman Ray. The monodrama is entitled "The Invisible Miss Kemble."

to make this drive go over the top.

In the first regular meeting of the Albany Block "A" Society, four new officers for the spring term were elected. Those elected were: Dick Young, President; Gene McGowan, Vice-President; Jim Watkinson, Secretary and Treasurer; and El Alverez, Sergeant at Arms.

It was planned that a Block "A" sport night would take place some time in May. President Young, appointed Gene McGowan as chairman. McGowan stated that a definite date would be made following a committee meeting.

Hink's

It's a cinch to tie a knot like this... EVERY TIME

1. Start the knot by putting the wide end over and then under the narrow end in this manner.

2. Then bring the wide end over the narrow end again and up through the opening at the collar.

3. Put the wide end through the loop loosely and smooth out carefully to prevent wrinkling or twisting.

4. Pinch the sides together over the index finger to form a dimple. Then tighten the knot and slide into place.

Remember though, for better looking knots it's always best to start with an Arrow tie—because Arrow ties *always* knot neatly. They have a special lining that *stays* smooth which, of course, also means fewer wrinkles and longer usefulness. Come in, browse through our swell collection of Arrow ties. It's one of the finest neckwear aggregations you ever laid eyes on. \$1 and \$1.50

 THIS PROTECTION

It is easy to understand why the idea of paying for future funeral costs, through a Funeral Service Policy, is sweeping the nation. It is a protection that no ordinary insurance can provide because it not only stipulates how much or how little shall be spent—it also provides immediate cash to pay funeral bills.

This means that savings and insurance funds are kept intact for their intended purpose... security for those who remain.

We will gladly tell you about a reliable Plan which costs very little.

GIVE TO THE RED CROSS DRIVE

NOTICE TO THE PUBLIC

Buses and Street Cars are over-burdened as never before. A crisis is near. With more men, tires, and gas going to war, present service can barely be maintained. Each day brings greater loads as autos are scrapped.

Only if YOU cooperate with your Government and your local transit company, will buses and cars be able to do the job. When you MUST travel locally, let this be your creed:

1. DO NOT RIDE IN RUSH HOURS, except to and from your job.
2. HAVE YOUR EXACT FARE READY. It saves time and fuss.
3. MOVE BACK WHEN THE DRIVER ASKS. It speeds your ride and helps your neighbor.
4. RIDE RAIL CARS INSTEAD OF BUSES when possible. It saves gas and tires.
5. DEMAND STAGGERING OF YOUR WORKING HOURS. Your buses and street cars can then make more trips for workers.
6. WALK if you possibly can—on trips up to two miles.
7. KEEP YOUR AUTO WORKING. Form a ride-sharing group. It helps relieve the load on street cars and buses.

Finally, don't expect comfort or convenience. It just isn't possible. But this simple creed will work wonders. Let's help ourselves!

Jill Johnson
 DIRECTOR, OFFICE OF DEFENSE TRANSPORTATION

FOLKS, THE RED CROSS DESERVES YOUR HELP
I know! I saw!

BOB HOPE reports on

the Red Cross in action

Bob Hope should know. He saw! For two years he has devoted most of his spare time to entertaining G.I.'s on the "Foxhole Circuit" of USO-Camp Shows. Hope has made 'em laugh in Panama, Alaska, British Isles, North Africa, Sicily, and most recently through the captured islands of the South Pacific.

I SAW the Red Cross bring news from home to a worried son! A soldier stationed in the Pacific couldn't understand why a letter to his mother was returned to him marked "unknown." Was his mother sick? Alive? What had happened? The Red Cross investigated; found out the trouble—a very simple mistake—and relieved the soldier's fears!

I SAW a Red Cross ship taking food to our men in prison camps! Thousands of our men in enemy hands would suffer were it not for the food, clothing and medicines sent by and through the Red Cross.

I SAW the Red Cross playing mother to homesick, war-weary fighters! There are more than 700 Red Cross Clubs overseas. They're headquarters for snacks, tours, dances, games, books, home newspapers!

I SAW the Red Cross handing out kits to the wounded in hospitals. When a man has lost everything—these comfort kits are worth their weight in gold. They contain toilet articles, cigarettes, candy,

I SAW the Red Cross greet fliers just back from a mission! I saw a Fort come in—haggard men crawl out of her. A Red Cross clubmobile pulled up. And the fliers relaxed over doughnuts, coffee, American girls' smiles.

GIVE NOW—GIVE MORE
Keep your RED CROSS at his side

Let's do it again this year
GARDEN for VICTORY

The time is here and the need is urgent for us and serious work in your Victory Garden. A bunch of vegetables and every bowl of berries, fruit you grow at home aids in the tremendous task of feeding the men and women who are fighting for us.

Let's do it again this year. Top the total of more than eight million tons of food grown in Victory gardens during the peak year of 1943. You will food rationing. You will release more commodities grown and packed foods to our men and women active service. You will help nourish back to health our men and women who lie in hospitals dreaming of their happy homecoming.

Dig hard, dig deep, dig often and keep a row of crops growing in your Garden for Victory. It is health and muscle tune-up in every spadeful of soil you turn over. There is nutritious good eating every garden-fresh morsel of food you eat from your own garden. Plan—work—plant—now and keep it growing.

A job for a man who's fairly husky
You don't need muscles like Lionel Strongfort and you don't need experience to handle this job. Furthermore, we'll be glad to have you even if you can give us only a few days at a time. The work is handling freight with Southern Pacific, loading, unloading cars, a lot of it vital war freight for the Pacific war fronts. It's no lady-finger job but still, nothing an average man can't do. Good gang to work with. New, higher railroad pay. Liberal age limits. A chance to hook on to a solid job with a big company. Come on down and see us. We've got a hunch you'll like it. Essential industry.
